

Sacred Heart School  
Newsletter  
January 2012

Dear Parents,  
How grateful we are for the many gifts, prayers, and good wishes that we have received for Christmas! Thank you for your generosity. The Sisters are certainly enjoying all the delicious cookies and treats– our only regret is the calories!

As we continue to rejoice in the Christmas season, may Mary, the Mother of God, continue to bless us with her love and help us to grow in faith, hope, and love. May our faith lead us to believe that “God is with us” every day and that “Christ Mass” is God’s special gift of love to us. May this gift be a source of our nourishment and a very important part of our family and parish life throughout the year.

Many wishes for a happy New Year!  
God bless you!

Sincerely,  
Sister Mary Carmel

### ***Parish and School Connection***

Over the past few years, our Home and School Association, Development committee, and School Board have been aware of the need for the school to play a more visible role in our parish activities. Some of our endeavors have included sponsoring or helping at the Thanksgiving dinner, the Parish Appreciation Dinner, and providing refreshments at different parish events. However, one way in which all of our school parents can show their appreciation for our parish support is simply by your “presence” at different

parish events and at Sunday Mass. Too, in order for our students to realize the “parish connection” we have distributed Sunday envelopes to all the children in Sacred Heart Parish. It is our expectation that the students would use these envelopes to give a small monetary donation, if possible, or to list, if they wish, how they have helped others – again stressing the parish community.
